ORGANIZATIONAL SUMMARY:

About Safe & Sound:
Safe & Sound, Inc. emerged eighteen years ago as a comprehensive, community-based response to crime and violence in the City of Milwaukee. Since 1998, Safe & Sound has been dedicated to improving safety in challenged Milwaukee neighborhoods. Our three-pronged strategy advances: (1) partnerships with law enforcement, (2) community organizing and (3) youth development. In 2011, we received a White House Champion of Change Award for our innovative approach to making neighborhoods safer. We unite residents, youth, law enforcement and community resources to build safe and empowered neighborhoods.

This new position is part of an expansion team serving Milwaukee Police District 4.

About Community Organizing:
Our community organizers meet residents on their front porches and at community meetings, rebuilding social networks and facilitating connections to resources to make neighborhoods safer and stronger. By working with residents to remove graffiti, resolve issues of lighting, traffic, etc., and to organize clean-ups and block parties, community organizers empower residents to build community capacity, improving overall neighborhood quality of life. A critical part of the organizing function is to build community-police relationships, and gather intelligence from residents who are unwilling to engage with law enforcement.

POSITION SUMMARY:
Community Organizers are neighborhood mobilizers who conduct outreach and organize residents year round, listening to, and addressing, the individual concerns of residents. Organizers develop neighborhood-based initiatives, enhancing safety and positively impacting the community and improving overall quality of life for residents. The strategy is based on year-round outreach in Milwaukee’s high-crime neighborhoods. Resident complaints may include drug, gang, prostitution, graffiti and other civil and criminal issues that arise in and around properties located within the assigned Safe & Sound sector(s). In addition, the Community Organizer works with other Safe & Sound staff, the Community Prosecutors, the MPD and other community-based organizations to plan and coordinate community forums, block watch meetings and other community collaborations which orient residents, families and businesses on the nuisance abatement process and provide resources and advocacy to encourage crime prevention, gang prevention and crime awareness. Community Organizers also serve as a technical and planning resource for community anti-crime events and initiatives.
